

THE PARK LANE ACADEMY DRESS CODE

The school's dress code is simple and practical. It identifies you as a member of Park Lane Academy wherever you are and so it must be smart at all times.

The image illustrates how the school expects the students to arrive on a daily basis. If a student arrives in incorrect uniform, they will be loaned the required item for the day, however will incur a behaviour point. Any student who fails to adhere to the correct uniform policy will be subject to discipline procedures.
