

Further information about the Blackpool Trip and Yorkshire Wildlife Trip.

Following on from our previous correspondence (text and letter on our website 5th of May) regarding the above trips, please now take note of the following updates/information.

The Yorkshire Wildlife Trip has been cancelled due to the lack of interest for this choice.

The deadline for purchasing tickets for the Blackpool Trip is 12.00pm on Friday 23rd June and this deadline will not be extended due to the numbers being final at this point in order to enable the school to book the coaches.

To purchase the trip you must top your Trips/Offer's purse up on Squid and then actually buy the trip. You can pay by instalments, but payment in full must be completed by the deadline. If you have topped the purse up but not bought the trip, the offer will not be available after the deadline.

We originally advised that students on the trip would be 'remotely supervised', meaning they could go off in a group and check in at certain times at a designated meeting point. However, due to recent events, students will now be supervised at all times in small groups with their own member of staff.

If you have any questions regarding any of the above, please contact the school.

SQUID Update

Some parents/carers have experienced difficulties when logging into Squid via their website.

According to Squid, a user can sign in one of two ways; Existing Squid Portal or New Squid Online Portal. You need to sign in via the New Squid Online Portal as this is the new version that Park Lane has purchased.
