How you can help your child with revision

Your child should now be revising at home alongside additional tasks set by subject teachers. We recommend a minimum of 2 hours of revision per night and more at weekends. Your child has been given a range of support materials to aid revision including access to our fantastic new revision resource, please take time to look at the parent section: <https://www.gcsepod.com/parents-benefits/> and the leaflet enclosed.

The secret to doing well in exams lies in planning. You can help your child to create a clear revision plan and method of studying that will make them feel in control of their work.

Tips for revision planning:

- work out a revision timetable for each subject
- break revision time into small chunks - hour-long sessions with short breaks at the end of each session often work well
- condense notes onto postcards to act as revision prompts
- buy new stationery, highlighters and pens to make revision more interesting
- go through school notes with your child or listen while they revise a topic
- time your child's attempts at practice papers

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Ms R Ahmed
Vice Principal
